PROGRAM

Football NSW would like to invite you to attend our new TSP School Holiday Program.

TSP is the start of the FNSW Player Pathway Program and will provide all players aged 5 –13 years with the chance to be coached by qualified FNSW Instructors.

Football NSW expert curriculums will teach the essential skills necessary for future football success. These skills are the foundation for technical ability. In addition, FNSW will test these skills and complete an easy to understand report card for feedback to both players and parents.

Players attending the program will have their results recorded in the FNSW elite player tracking database and this information is used in the identification and selection in FNSW Elite Pathways Programs.

Each member of the camp receives:

- 9 hours (3 x 3 hour days) of expert instructions
- Soccer Ball / T-Shirt / Certificate
- Skills testing and report card
- 10 week personalised home training program to work on throughout the school term
